The diagram consists of a grid of 100 small squares arranged in 10 rows and 10 columns. The squares are arranged in a pattern that resembles a staircase or a series of steps. The first row has 10 squares, the second row has 9 squares, the third row has 8 squares, and so on, down to the tenth row which has 1 square. The squares are arranged in a way that they form a continuous path from the top-left to the bottom-right. The squares are arranged in a way that they form a continuous path from the top-left to the bottom-right.
